K-2 Leading Praise for Church--Grades K-2 will be leading praise music at the Laguna Niguel SDA Church on March 12. The students have been preparing praise songs for that Sabbath, some students will have solos. Students should wear their choir outfits. Please plan on bringing your K-2 student by 10:45 AM, March 12. The front rows of the church on the audience right will be reserved for your students. I look forward to praising God with your children that day.

Kindergarten: Thank you parents for all your support in your child's progress. I am so excited how well all of Kindergarten are learning! They are little sponges, soaking everything in. :) Please keep reviewing all of their site words, math worksheets, and their home phone and address. Have a nice and relaxing weekend. Mrs. Nick :)

Grades 1 & 2 – Happy Friday! This week has been so much fun! We celebrated Dr. Seuss' birthday this week by learning more about him, reading many of his books, writing about him and even creating a hat. In social studies we learned about the Civil War and had an insightful conversation on what it really means to be free. Soon, we will be writing letters to send to our military to thank them for protecting us. We have all been progressing well in math and science. Please make sure your child is working on their XYZ Social Studies Fair project. Thank you for your continued support. Have a blessed weekend. **Mrs. Islas**

Dear Families, It is almost Spring Break and we have a lot to do before then. The XYZ projects are due next Thursday, March 10. We also have our book projects due on March 17. We are making children's books to read to grades K-2. They will be given time to work on this project in class because I know many students have been focusing on the XYZ fair. If you have any questions, please don't hesitate to contact me. Thanks for your support! **Ms. Gore**

Grades 3-5: Our class has made a lot of progress on the Heavenly Community project this week. Students have been working hard on research, note taking, and typing reports. We've had fun imagining playing in our Heavenly Community if it were in Heaven. We've also enjoyed learning about and looking at pictures of architectural art throughout history. Our project will be on display at the XYZ Fair on March 10. Come and see it! As a reminder, please make sure your child is close to finishing his/her own XYZ Fair project. Please come and talk with me if you have any questions. Thank you. **Ms. Haugen**

Reminder: Please remember to send plastic ware spoons and forks in your child's lunch
